

Case Study - Ocean Finance & Mortgages, Tamworth

As one of the UK's fastest growing Companies, Ocean Finance have a very high demand for modern, flexible and durable office accommodation.

As part of their growth plans Ocean have recently acquired a new Headquarters building for their mortgages division based in Tamworth, Staffordshire. Housed within this building is furniture for over 200 staff.

Diamond Interiors have successfully installed systems furniture, seating, screens, breakout areas, receptions, boardroom and executive offices at both of Ocean's buildings.
